Lumo: Design System and Rationale

Companion to the landing page. In Figma these map to Color/Text styles and Components built with Auto Layout.

Color styles

Primary / Indigo
#4F46E5

Primary dark
#3730A3

Tint
#EEF0FF

Accent / Amber
#F59E0B

Ink
#111827

Muted
#6B7280

Text styles (Helvetica)

Display — 68 / Bold

H2 — 44 / Bold

H3 — 24 / Bold

Body L — 20 / Regular

Body — 16 / Regular

Spacing and layout

- 8-pt scale: 8, 16, 24, 32, 48, 80
- Content width 1200, side margin 120
- Card padding 32, card gap 40
- Corner radius: 24 cards, 26 buttons
- Header 88 high; sections 80 apart
- Breakpoints: 1440, 768, 375 (stack)

Reusable components (Auto Layout)

Primary | Secondary | Badge

Button: horizontal Auto Layout, padding 16/32, hug contents; variants: primary, secondary.

Feature card

Vertical Auto Layout: icon, title, text. Fill width, gap 16.

Lumo

Logo lockup: icon + wordmark, horizontal Auto Layout, gap 12.

Nav link: text style Body L, hover state in indigo.

Users and design choices

Intended users: college and high-school students (17-24) who juggle several courses and want a calm, simple way to plan and stay motivated. Parents and tutors are secondary.

Color: indigo signals focus and trust; amber is used sparingly for energy and highlights.

Layout: one clear path (header CTA, hero CTA, closing CTA). Generous white space and large type keep it uncluttered.

Consistency: one type family, an 8-pt spacing scale and three reusable components keep every section aligned and easy to edit.
